March 18, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for the Mesick Consolidated School district and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Ms. Cinco, Mr. Morey or Mr. Akom for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <https://goo.gl/3GHdfM> or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data – Elementary or middle school assessment results on the Michigan Student Test of Educational Progress (M-STEP), high school assessment results on the M-STEP component of the Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access).

Presents achievement data for all four tested subjects (English language arts, mathematics, science, and social studies) compared to targets for all students as well as subgroups of students

Helps parents understand achievement progress within schools and compare these to district and state achievement

Accountability Scorecard – Detail Data and Status

Due to the transition from MEAP tests to the M-STEP test, the accountability portion of the AER is limited to assessment participation and graduation/attendance rates. Full accountability reporting will resume with the 2015-16 AER.

Board of Education

Eric Spencer, President Michael Chandler, Vice President Jason Abraham, Secretary Julie Yeomans, Treasurer
Stacy Brewer, Trustee Amy Lipke, Trustee Sandra Spencer, Trustee

NAEP Data (National Assessment of Educational Progress)

Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

In closing, we are very excited and encouraged by the improvement our students have shown over the last three years. We are confident that this improvement will continue through the hard work of our students, teachers and parents. The administration and teachers continue to plan and implement school improvement initiatives. Our focus will continue to be on quality instruction and student engagement. We appreciate all of the support from our parents and community. If you would like to find ways you can support the school or your child, please do not hesitate to contact the district. Remember, it takes a village to raise a child.

Sincerely,

Scott R. Akom
